

A RECORD OF THE
MEMORIALS
IN THE CHURCH AND GRAVEYARD
OF
ST. MARY'S
GREAT MASSINGHAM
NORFOLK

A RECORD OF THE MEMORIALS IN THE CHURCH AND GRAVEYARD OF ST. MARY'S, GREAT MASSINGHAM, NORFOLK.

This project was commenced in April 2008 under the guidance of Reverend Julian Thomson.

The data were gathered by John and Marie Harman, Joyce & George Thorogood, Maureen Hudson and Geoff Randall and the first version of the record was produced by the latter in September 2008.

Data for this updated version were gathered in 2022 by Joanne Arnold, Chris Eanor, Gilly Hall and Jeanne Robinson and further data were gathered and this record produced in 2025 by Bev & Geoff Randall.

How to use this record.

To find the location of a memorial to a person whose name is known first consult **Section 1** of this record which contains a list of names in alphabetical order and this will provide a reference number containing three elements in the form Number-Letter-Number such as 1-C-32.

The first number indicates the AREA in which the burial or memorial is located; the middle letter and the last number are the co-ordinates (COLUMN and ROW) of the location within that area.

To find the full text of the inscription on a memorial go to **Section 2** where the inscriptions are listed according to the reference number.

To locate the actual site of the burial or memorial consult the plans in **Section 3** of this record.

Please note that the reference grids are not marked out in the Church or the graveyard and that the plans are not accurately to scale.

SECTION1

Alphabetical Index of names

In this Section two asterisks ** following a surname indicates that the person referred to is mentioned in an inscription on a memorial but appears not to be buried at the site of the memorial.
